Why Sponsor a NAETISL Regional Conference?

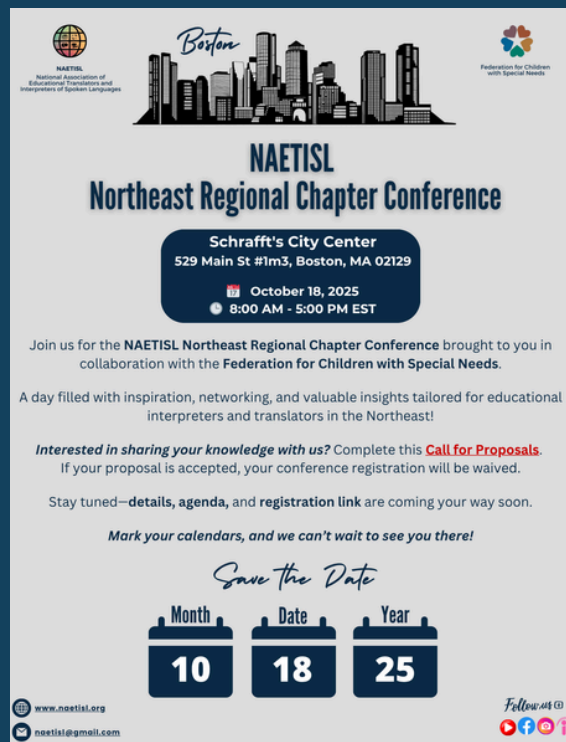

Since 2019, the National Association of Educational Translators and Interpreters of Spoken Languages has been a national leader in establishing a collective understanding of the standards, qualifications and certification requirements for educational translators and interpreters of spoken languages in education. We collaborate with school leaders, interpreters, translators and bilingual/multilingual families to develop resources, promote family engagement, and enhance professional development to achieve meaningful home-school connections.

Your sponsorship of our Regional Conference provides an exceptional opportunity to showcase your commitment to language access and language justice in early childhood and K-12 settings, and your willingness to support highly qualified and nationally certified educational translators and interpreters of spoken languages. Your support will also:

- Allow us to engage internationally and nationally renowned speakers with verified experience interpreting/translating or collaborating with interpreters/translators in early childhood and K-12 settings.
- Fund scholarships for interpreters/translators who are invested in their professional development but cannot afford the cost of attendance.
- Support our efforts to recognize outstanding examples of language access and language justice in education through our signature awards: Language Access Visionary School Representative Award, Language Access Visionary Interpreter/Translator Award and Bilingual/Multilingual Leader Award.
- Help us develop additional resources to empower bilingual/multilingual families as they strengthen their connections with educators and foster student achievement.
- Demonstrate your support for the development and establishment of best practices to collaborate with professional and qualified interpreters and translators in education.
